Bail IInd Application No. 534 of 2002

Hon'ble A.A.Desai, C.J.

Heard Smt. Pushpa Joshi, learned counsel for the applicant and learned A.G.A.

This is second bail applicant. The offence is under the N.D.P.S.Act. According to prosecution, one and half kilograms of Charas was seized from the person of the accused. The charge-sheet has also been filed. There is no new ground or change in circumstance. The bail application is rejected.

However, since the applicant is in jail form more than two years, I direct that the trial be concluded as far as possible within a period of two months.
